Interim Board arrangements. The preferred option is: The concept of an Interim Board be abolished. The concept of a "significant decision", as defined in the current MAV Rules be abolished and such matters be resolved by a simple majority vote. In the event that the Immediate Past President is no longer a Councillor, the MAV President, for the period between local government General Elections being declared and the MAV Presidential elections should be the Immediate Past Deputy President from the same general grouping of the Immediate Past President (Metropolitan or Rural) and if that Immediate Past Deputy President was no longer a Councillor, the other Immediate Past Deputy President would be appointed as President. If both Immediate Past Deputy Presidents were no longer a Councillor, the Board would elect a President from the remaining members of the Board. MAV Rules be amended to make suitable provisions for securing a Board quorum in the event that fewer than a quorum of members of the Board, who were in office immediately prior to the Council General Elections, have been re-elected as Councillors or have not resigned their positions as MAV President or Board members.
